

## **Escaping Poverty Traps**

*Connecting the Chronically Poor  
to Economic Growth*

**Peter Davis** is a lecturer in international development based in the Department of Economics and International Development at the University of Bath. He is a sociologist working on poverty dynamics with a long-term interest in Bangladesh, where he lived for several years. He is interested developing mixed-methods approaches to the study of social change in developing countries and has been undertaking poverty-related research, funded mainly by the Chronic Poverty Research Centre and the International Food Policy Research Institute, since 2006.
